BEST WISHES AND HOPES FOR A SPEEDY RECOVERY TO OUR FRIEND JUDY TRIM AFTER HER FRIGHTENING BAIL OUT AND INJURY !

Hello everyone!

It has been a long time since our last newsletter but as all of our members are now contacted by email it has just been a case of "here is the next program" etc.

Our membership over the last two years has changes significantly. Not so much in number as we generally have about 120-160 members but who they are.

A number of the juniors have all grown up and gone away to uni etc, some members have moved and there has been many horsey changes.

Still the group becomes stronger showing how much of a need there is for this type of competition in the region.

Many of the members come from well out of the downs and we appreciate their willingness to travel so far just for a sheet of paper and a ribbon.

The showground too has had a number of changes. There is the extra 12 acres of fenced land, sanded arena, renovated toilet block, on the western side upgraded saleyards and best of all the brand new loos near them.

More is to come with the show society receiving \$60,000 for flood recovery and becoming closer to final funding for more showers, toilets and power poles.

Ted has even begun to design our portable mounting platform which can be positioned near the main arena entrance for dressage days or over

on the South St side during the show. No more balancing on milk crates or buckets!

It has been fantastic to see the growth in our "masters" ranks and I am sure the point scores for that division are going to be hard fought.

We will be needing some new sponsors for our perpetual horse of the year trophies as we would like to have a trophy for each level in all three age groups.

It only costs around \$60 dollars to sponsor a trophy that will last for 15 -20 years so please consider putting your business or family name on one.

Our original trophies, still in place, have been going since 1998 and we have only lost track of one. (Anyone out there with the Preparatory Horse of the Year one?)

Just for the benefit of the newer members. We do not hold training schools or official events as we have a different insurer to the EA. We have a special agreement with our insurer and these were the requirements. This is why our dressage tests are different

All of our events are still run with the safest equipment and protocols but it is still up to all riders and horse owners to take care and follow safe practices. After all, we are the ones who should be in control.

Don't forget the Members Championships in October.

To qualify you must have competed at least once at the level you wish to enter. No jumping up or down a level. You can change a horse if it becomes lame etc but you can only enter as many horses as you qualify, to the maximum of three. The show society is running the Saturday evening dinner again. This time we will have our raffles and games sorted so come along and have a good time.

If you would like to advertise something please contact Marina at summerleestud@westnet.com.au
